

Historic Neighborhood Association

Meeting 3/9/20

- Meeting began 6:30pm
- Introductions
- LPD report
Citizens police academy applications available for August academy
Been a quiet month. A couple of burglaries at vacant properties and 1 vehicle burglary
- Discussed results of community survey. A lot of interest in walking, speeding, keeping it clean, and even a community garden.
- Code enforcement
Sony Marshall is now our officer
Code enforcement would be glad to help in a clean up event
They could do a sweep of the neighborhood, issue violations, then assist us in cleaning up and having
Neighbor voiced concern about how things are not being picked up because nobody calls it in.
- Sarah Roberts McCarley
Just SOME important notes
-Focused on how neighborhoods impact young children
- Questions asked: (NONE OF THESE ANSWERS ARE VER BATEM)
Q: What is your biggest push?
S: Having more associations like this.

Q: Affordable Housing
S: The state didn't sweep the funding :-) Meaning this year we actually should have state allocated funds to assist with this.

Q: What are some of the things the commissioners are working on
S: Affordable housing, Lakeland Electric, illegal dumping, all of the commissioners have outside jobs in addition to their commission seat, sit on the mayor's arts council.

Q: When will the road diet start?
S: After Sun 'n Fun it will take about 6 months to get together and then the test will

run a year.

Historic Neighborhood Association

Commission will make a decision with data and citizen input. 15 data retrievals points along with crash data. DOT is paying for a circulator bus. March 30 will be another community meeting at the RP Funding Center. Chuck Barnby will be here May 12th.

Meeting Adjourned 7:35pm
